Remarks:

Welcome to this Imperial Point Retreat! This 3Bedroom/2Bath Pool home offers outdoor living at its best. With an outdoor kitchen, private fenced in yard and covered patio, you get a perfect mix of indoor/outdoor living. Inside, the kitchen with new appliances and bathrooms are updated and the A/C was replaced in 2020. Work from home? No problem-this home office is bright and private. The home has impact windows and plantation shutters throughout. The auto sprinkler system, (on separate meter), is on 3 zones and the pool pump was just replaced. The property has 2 sheds on the side for storage. The PVC fence was replaced in December.
